REQUEST FOR NON-CHARGE OF PETITION FEE - CLEAR PATENT AND
TRADEMARK OFFICE ERROR, 37 CFR 1.377

Sir:

This communication is responsive to the Office Notice dated February 13, 2002, (Part 2 Copy attached), the time for responding thereto being on or before April 14, 2002.

Applicant elects option I. with this response. Specifically, Applicant contends that the noted "missing" item, Figure 17D described in the specification, was indeed filed with the rest of the application papers on December 6, 2001, and later was either misplaced or lost in the OIPE.

Any petition fee deemed to be due (e.g., \$130.00, 37 CFR 1.17(h)) may be charged to our deposit account 12-1662.

Submitted herewith are the following three items: 1) a copy of the application papers (less copies of the references cited on the form PTO-1449) as filed at the attorney's window, USPTO in Crystal City, Virginia on December 6, 2001; 2) A copy of the filing receipt, stamped by USPTO personnel and noting receipt of 98 drawing sheets containing 98 drawing figures; and 3) a Declaration by the undersigned who assembled and double-checked this application for completeness and accuracy just prior to its filing on December 6, 2001.

As to item 1), it is to be noted that the applicant's attorney's file copy of the application, made just before the original of the application was filed at the USPTO, does indeed include Figure 17D. As to item 2), the USPTO OIPE stamp thereon (clerk JC177) verifies that all of the papers checked on the receipt, including Figure 17D, were received by the USPTO on December 6, 2001.

As to item 3, the following facts are noted. The undersigned copied the application just before filing and then hand counted and check each sheet to assure that the application was reassembled correctly for filing. The application was then taken by other personnel to the USPTO attorney's window and filed that same day, December 6, 2001.

OIPE personnel are respectfully reminded that great care must be taken when handling any papers, especially new application

papers. When a filed application is later dismembered for recording and reassembly into a USPTO file jacket, even greater must be exercised to assure that papers are not lost or misplaced.

It is respectfully requested that this application be considered as filed complete on December 6, 2001, and that no petition fee be charged in view of the clear USPTO error as noted above. It is further respectfully requested that the application now be sent on for formal examination on its merits.

Respectfully submitted,

John Remon Wenzel

NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Figure(s) **17D** described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.

A copy of this notice MUST be returned with the reply.
